

Step II Part A: Description of School and Position

You will need to provide a context for your PDP, a summary of carefully selected demographic information that is relevant to your position within the district. You must include the following:

- a description of your current grade level, content, or pupil services area or administrative position;
- the number of years you have taught, have been an administrator, or have been in pupil services;
- whether the school is located in a rural, suburban, or urban setting;
- the ethnic, cultural, special needs, and socioeconomic diversity of the school population;
- information that is pertinent to your plan, such as district and building initiatives (goals).

You can use this template to help with district information in Part A of Step II:
